ACADEMY

ACADEMY

Oro, lacche e marmi preziosi per Academy, la nuova collezione di arredo bagno che trova la sua collocazione nelle stanze da bagno più raffinate.

Dalla lacca con decoro “ribbed” o “diamond”, al vetro, ai marmi, l'eccellenza della tradizione italiana arreda le “salle de bain” più esclusive, ambienti in cui indugiare, prendersi cura di sé e rigenerarsi, in un'atmosfera elegante e sofisticata.

Gli arredi si completano con accessori e complementi: panchette in tessuto, specchiere bronzate o fumé, lampade, colonne e portasalviette, con finiture e colori coordinati tra loro, per gli interior designer più esigenti.

Lacquerings, gold and marble finishing for Academy, the new Luxury Bathroom collection, suitable for the most elegant locations.

Once again the Italian finest tradition, with its ribbed or diamond-like decorated lacquering, the glasses and the marbles, furnished the most exclusive “salle de bain”, creating spaces to contemplate, relax, and take care of yourself and allowing a sophisticated and comforting atmosphere.

The designed pieces dialogue with accessories and complements: elegant pouf and benches, bronzed and smoked wall mirrors, lightings, tall units and towel holder cases, with matching finishings and colors, will please the even most demanding interior designers.

LUTETIA

LUTETIA

Lutetia è il nome assegnato dagli antichi romani a Parigi, capitale assoluta dell' Art Déco, stile al quale il modello si ispira. Nei dettagli delle maniglie, del puntale del piede, nelle linee squadrate e nelle raffinate laccature se ne manifestano i richiami più evidenti. Gli specchi e le lampade, abbinati alla consolle a cui si appoggia il lavabo, sono progettati per evocare un'atmosfera tipicamente Anni Venti.

Lutetia is the name given by the ancient Romans to Paris, absolute capital of the Art Déco, style to which the new model is inspired. The most obvious references to Art Déco are exhibited in the details of the handles, the tip of the foot, and in the square lines of the furniture. The mirrors and the lamps, combined with the console on which it rests the sink, are designed to evoke a typical Twenties atmosphere.
